

I was born in Kentucky and raised in Tennessee,  
Am out in California blue as I can be;  
Going to catch me a bus, marked Memphis bound;  
Cause the blues ain't nothing, but a homesick  
man, you see  
Just a longing in his heart for the hills of  
Tennessee.  
So I am headin' tonight for Memphis, Tennessee.

He did not want to go to California. I am sorry he went.
